We are already planning and organising away, aiming for a fantastic Christmas and New Year. We want to do all we can to make your Christmas as easy and hassle free as possible, so to save time and help, here is your Order Form.

All our Free Range turkeys are farm reared and dry plucked (8lb – 25lb).  
We can Crown the bird for you if you so wish, or we can do a Turkey Butterfly - no bones!

We pride ourselves on providing a bespoke service. If you would like more information or if there is anything not listed that you require do not hesitate to contact us or speak to our butchers before placing your order. For example, other poultry (chicken, goose) or game (duck) or even a beef Joint.

What Size Turkey do I need to buy?

A good rule of thumb is 500g per person if the meat is on the bone (whole turkey) or 250g per person if off the bone (turkey butterfly).
